Subject: Internship Offer Letter

Dear **Aashish Rahangdale**,

We are pleased to offer you the position of **Software Engineering Intern** at **CloudWent**, based in **Bhopal, Madhya Pradesh**, under a **Remote-first and Hybrid work model**.

Your internship details are as follows:

- **Position:** Software Engineering
- **Internship Duration:** 2 Months
- **Joining Date:** 19/05/2026
- **Work Mode:** Remote + Hybrid (Bhopal)
- **Compensation:** Unpaid Internship

The internship is designed to provide practical exposure to **real-world engineering projects**, software development workflows, scalable systems, cloud technologies, and collaborative product development practices within an early-stage startup environment.

Your internship with the Company will be subject to strict adherence to the policies, procedures, confidentiality standards, and professional conduct expected at CloudWent.

The internship period shall be for **two (2) months**. During this period, your performance, contribution, and conduct will be reviewed.

This offer is subject to successful background verification and satisfactory conduct throughout the internship period.

Upon acceptance of the terms and conditions of this offer letter, either party may terminate the internship by providing **one (1) week notice**, unless otherwise agreed upon by the Company. No leave shall be availed during the notice period without prior approval.

Upon successful completion of the internship, you may be eligible for:

- Internship Completion Certificate
- Letter of Recommendation (Performance Based)
- Future full-time or paid internship opportunities
- PPO (Pre-Placement Opportunity), subject to performance

We welcome you to join CloudWent and would be delighted to have you contribute towards building impactful engineering solutions.

If you have any questions, please feel free to contact the undersigned.

With Regards,

Terms & Conditions

1. Internship Period

The internship shall be for a duration of **two (2) months**, commencing from **19/05/2026**. Any extension or continuation of the internship shall remain solely at the discretion of **CloudWent** based on business requirements and performance evaluation.

2. Nature of Internship

This internship is provided for educational, training, and professional development purposes. The intern shall work on real-world engineering projects, technical systems, research, software development, and collaborative product development initiatives under the supervision of CloudWent.

3. Work Mode and Availability

The internship shall follow a **Remote + Hybrid work model (Bhopal)**. The intern shall maintain timely communication, attend assigned meetings, and remain reasonably available during project collaboration hours.

4. Compensation

This internship is currently offered on an **unpaid basis** as CloudWent operates in an early-stage startup environment. No salary, stipend, reimbursement, or employment benefits shall be applicable unless explicitly communicated in writing by CloudWent.

5. Notice Period and Termination

Either party may terminate the internship by providing a minimum **one (1) week written notice**.

CloudWent reserves the right to terminate the internship by issuing a **one (1) week notice period** at its sole discretion based on business requirements, project restructuring, organizational changes, or performance concerns.

Additionally, CloudWent may terminate the internship **with immediate effect and without prior notice** in cases involving:

- Misconduct or unethical behavior
- Breach of confidentiality
- Unauthorized access or misuse of company systems
- Non-performance or repeated inactivity
- Violation of company policies
- Harassment, abuse, or inappropriate behavior
- Unauthorized sharing of source code or company information

The intern may voluntarily discontinue the internship by providing a minimum **one**

(1) week written notice.

6. Ownership of Work / Intellectual Property

All software, source code, APIs, repositories, infrastructure, documentation, databases, systems, product ideas, architecture, technical assets, internal tools, business logic, designs, research, inventions, and any work created, modified, contributed to, or developed during the internship shall remain the **sole and exclusive intellectual property of CloudWent**.

The intern acknowledges and agrees that **all work performed during the internship belongs exclusively to CloudWent** and shall not be considered personal property.

The intern shall have **no ownership rights, copyright claims, licensing claims, or commercial rights** over any work created during the internship.

7. Restriction on Personal Use of Company Code

The intern shall not:

- Copy company code for personal projects
- Reuse CloudWent systems or software externally
- Open-source or publicly distribute company work
- Sell, redistribute, or claim ownership of company software
- Use proprietary business logic for personal benefit
- Create duplicate competing systems using CloudWent code

Any unauthorized use of company intellectual property shall constitute a violation of company policy and may result in legal action.

8. Confidentiality Agreement (NDA)

The intern agrees to maintain strict confidentiality regarding all proprietary and confidential information of CloudWent, including but not limited to:

- Source code and repositories
- Internal documentation
- Infrastructure architecture
- API keys and credentials
- Business plans and strategies
- Internal discussions and communication
- Customer and operational data

This confidentiality obligation shall remain applicable **during and after completion or termination of the internship**.

9. Repository and System Access

All access granted to Git repositories, servers, cloud infrastructure, CI/CD pipelines,

databases, project management systems, internal dashboards, and technical resources shall remain the property of CloudWent and may be revoked at any time without prior notice.

10. Professional Conduct and Performance

The intern shall maintain professionalism, timely communication, ethical conduct, and quality standards while working on assigned tasks.

Failure to demonstrate satisfactory performance, consistent inactivity, repeated missed deadlines, or misconduct may result in termination of the internship.

11. Certificate, Recommendation, and PPO

Issuance of:

- Internship Completion Certificate
- Letter of Recommendation (LOR)
- PPO (Pre-Placement Opportunity)
- Future Employment Opportunities

shall be solely based on:

- Internship performance
- Completion of assigned tasks
- Professional conduct
- Contribution to projects

CloudWent reserves the right to withhold certificates or recommendations if performance is unsatisfactory.

12. Return of Company Materials

Upon completion or termination of the internship, the intern shall immediately cease access to all company systems and return/delete all confidential files, code, credentials, internal resources, and proprietary information belonging to CloudWent.
